B. PRSA AVC Declaration (if applicable)

Where I am establishing this plan for the purpose of making AVC payments to a PRSA, I declare that;

- I have received and read the Irish Life AVCs and your PRSA Booklet, which provides important information about paying AVCs into a PRSA.
- I am aware that my AVCs into the PRSA are on a defined contribution basis and the return is not guaranteed - this contract will not provide defined benefits as fund values can fall as well as rise.
- I acknowledge and agree that I have been advised to investigate any AVC options offered through my employer's main occupational pension scheme.
- I acknowledge and agree that I have been advised to review any options which provide guaranteed benefits and which can be available under defined benefit schemes, in particular any options to buy added years (notional service) under public sector/semi state defined benefit schemes.
- I understand and accept that it is my responsibility to review and consider any such options directly with my employer, and that my financial adviser will base any recommendations on the information I have provided but will not have discussed or verified this with my employer.
- I understand that, although this AVC plan is separate to my employer's main occupational pension scheme, retirement benefits must be paid at the same time as the main scheme and must be within Revenue limits.
- I am required to notify Irish Life if I leave this employment, change my contributions to that scheme, if my salary decreases or if my benefits change.

C. Plan Declaration

I declare that all the answers to all the questions in this application form (online or otherwise) are answered honestly and with reasonable care. Where I have completed my application online, I acknowledge that a copy of my application will be sent to me and agree to notify Irish Life, in writing, if:

> I do not receive the printed record

> Any information in this record is not answered honestly and with reasonable care.

I hereby agree that the contract proposed between me and Irish Life Assurance plc (ILA) will be comprised of this application declarations, and any supplementary application form attached. I understand that this contract shall not be capable of being surrendered, commuted or assigned except as provided under Chapter 2A of Part 30 of the Taxes Consolidation Act 1997.

I agree that where I have selected fund(s) other than the Default Investment Strategy (annuity) or the Default Investment Strategy (ARF), by signing this declaration, and any supplementary application, I am providing written confirmation that I do not wish to avail of either Default Investment Strategy.

I understand that once my PRSA becomes a vested PRSA, Irish Life is obliged to deduct a minimum amount of tax on a yearly basis as if a minimum withdrawal has been taken from my vested PRSA. I understand the current minimum withdrawal is 4% from the year I turn 61 (or 60 for those born on 1 January) until the year I turn 71 (or 70 for those born on 1 January) when it will increase to 5%. Where the total value of my vested PRSA(s) and ARFs are greater than €2 million I understand that I must appoint a nominee QFM who will be responsible for ensuring a withdrawal of 6% is taken from my vested PRSA(s) and ARFs. I understand that it is my responsibility to advise Irish Life if the total value of my ARFs and Vested PRSA(s) exceed €2 million. I understand that these rates are current as at June 2022 but may change in the future.

Where applicable, I as an employee, agree to my employer having access to my application in order to facilitate the deduction of my personal contributions from my salary. I also understand that the commencement date of the contract and the timing of any subsequent changes to contributions will be subject to my employer making the necessary changes in my payroll.

I agree that ILA may get information in respect of any transfer value contribution amount from the transferring Trustees/Life Office/PRSA Provider and I authorise them to give Irish Life this information.

I confirm I have been informed about the Irish Life Data Privacy Notice and where to get this.

I confirm that I have read and understood all the above declarations.
